

REMOTE CONTESTS

Please mark your calendars for the following remote contests that due to equipment and space challenges, must occur at another location prior to the conference. More information to be released soon. Thank you!

Friday, February 21, 2020

- **Internet of Things & Smart Home:** Georgia Northwestern Technical College, Gordon Campus
- **Telecommunications Cabling:** Georgia Northwestern Technical College, Gordon Campus

More remote contests may be added later, if necessary.

Most contests begin at 8am, a full contest schedule and any tools required for contestants will be provided.

Please remember to register students, even if competing at a remote contest. Remote contests' results will be announced at the awards ceremony on March 14, 2020.
