

## **Barbering Contest Update**

Please refer back to the contest regulations in the National Technical Standards concerning equipment and materials that each contestant is required to bring.

You are required to bring 2 manikins: “Ryan” Manikin for the hair and beard design AND “Jake Budget” for the other 2 cuts (you will do 1 cut on Jake then be judged, then work on Jake again for the 2<sup>nd</sup> cut and then judged again). Both Ryan and Jake Budget manikins are available from Burmax.

Note: Please read thoroughly to ensure you bring everything required including a kit as specified in the standards. A resume is also required as specified in the standards.

Do not forget to bring a Tripod, this is critical!
